Historical luminaires hexagonal

THL-217 „Alt-Berlin“

Simple variation of an Schinkel light.

Through their discreet appearance this light open up numerous possibilities for a Host of lighting tasks.

The application can be carried out in conjunction with our historical iron candelabra, but also on wall brackets and in multiple combinations. On a simple steel pole this luminaire is a welcome addition to any sophisticated new development area.

On candelabra THK-670-K/670-A
